Dear Stephen

On behalf of the Council, I would like to take this opportunity to thank you for your recent presentation on the Sub-Regional Transport Plan.

You will be aware from our discussions that the A3 Technical supplement which you sent to us was not circulated to the Councillors or relevant Officers in Craigavon Borough Council. As a result of this, we have not been able to consider your proposals properly in order to meet your deadline for responses of 23 June 2006.

Due to the summer recess, the first opportunity that Council will have to approve a response will be at the Council meeting which is scheduled to be held on Monday, 7 August 2006 and therefore I am requesting an extension to Tuesday, 8 August 2006.

I apologise for any inconvenience that this may cause and hope that you will treat our request favourably.

I look forward to receiving your response.

Yours sincerely

Jacqui O'Neill
Director of Development
