Dear Ms O'Neill

Re: Draft Plan – Technical Supplement Craigavon Borough Council

The Board of Portadown 2000 have requested I write seeking the Department's forbearance in accepting a further response to the Draft Sub-Regional Transport Plan and in particular the Technical Supplement relevant to the Craigavon Borough Council area.

In August 2006 Craigavon Borough Council wrote to the Department requesting an extension to facilitate a further submission. To date Council have not received a reply therefore we assume the matter is still being considered and in that context we would be grateful if a joint submission from Craigavon Borough Council and Portadown 2000 could be accepted.

The issues which we believe require this further submission relate to public transport matters in particular.

Please contact me if I can be of further assistance. The Department's co-operation would be greatly appreciated.

Yours sincerely

Alan Jeffers
Chief Executive
