Dear to whom it may concern,

RE: POLICY PROPOSALS FOR RAPID TRANSIT

Thank you for the invitation to comment on the above named consultation. Training for Women Network (TWN) always welcomes the opportunity to contribute to policy development.

On this occasion TWN has no comment to make. However we have attached a gender-proofing checklist for your consideration. The Gender-Proofing Checklist was developed by the Policy and Research Sub-Group of the TWN management board, which was devised to provide a quick reference guide for people developing policies, in order to assist them in a kind of *aide memoire* capacity.

If you require any further comment, please do not hesitate to contact me.

Yours Sincerely

JOHN MOONEY
Policy and Research Officer
